c.1879 Minton William Wise Complete Twelve Tile Farm Animals Set

REF: 5102

Height: 15 cm (5.91")

£1,320

A rare complete twelve tile transfer printed set in black and white after designs by William Wise, featuring different farm animals in rustic settings. Condition: generally excellent, with only one or two edge nicks and light surface wear; one or two slight differences in white tone and tile thickness; nothing further found; print definition very good. One tile signed and dated 1879, the backs fully marked for Mintons China Works, plus several paper labels for the famous G. K. Beulah Collection sold at Bonhams on 25 January 1995. Framing can be arranged if desired, either in singles or groups (see examples), all tiles can also be mounted on a single panel for hanging. Tiles 15cm/6in square.
